

Project Profile Corrosion Protection

This refinery contacted **ADVANCED Polymer Repairs** for a long term solution to the corrosion both inside and outside of this storage tank.

Working with the plant's in house contractor, **ADVANCED** Specified a highly corrosion and chemical resistant coating system which would provide the refinery with many years of service. Our customers include:

Refineries

Chemical Plants

Nuclear Power Plants

Fossil Power Plants

... and many more.

We Solve Your Toughest Surface Protection,
Repair and Maintenance Problems
On Budget... On Time... Every Time
